### Picture/Video Quotation

TAKE

OR  
VIDEO

OR A COMBINATION OF BOTH

Please ensure that you send us all the pictures/video using the following procedure, as this is easier for us to gauge the total volume of your items for your move. You can take multiple photos or videos of a room if you wish, showing as much of the furniture as you can. As long as you put the correct description reference letter for that room on the Photos/Video we will know what room you are referring to. e.g. Dining Room = DR, Bedroom 1 = BR1, etc.

### Pictures/Video OUTSIDE your home
